DEPARTMENT OF AGRICULTURE
RURAL ELECTRIFICATION ADMINISTRATION

PROGRESS BULLETIN
GENERAL - NO. 113

IMMEDIATE RELEASE
DECEMBER 22, 1939

Allotments totaling \$663,000 for rural electrification systems in five States, were announced today by Harry Slattery, Administrator of Rural Electrification. These allotments provide for the establishment of 2 projects, and the enlargement of 4 others in these States.

The allotments for the 6 distribution systems are intended to provide service for a total of approximately 3,500 farm families in these States. There also were announced a number of allotments for wiring and plumbing installations in various States.

Together they brought the total of allotments made by REA since its establishment in 1935 to \$368,012,293, of which \$39,887,806 represents operations during the current fiscal year.
